Seniors Helping Seniors, LLC

Now hiring compassionate retirees in Cherokee County, Georgia

We are always looking for compassionate retirees in Cherokee County who want to earn extra income while paying it forward.

Why join us

- **Flexible schedules that work for you** — you tell us which days and hours suit your life, and you can change them when things come up.
- **A valuable service in your community and for your peers** — you would be helping the people right around you, in your own town.
- **Work close to home, alongside people from your own generation** — the person you sit with remembers the same music and the same decades you do.

What the work looks like

Everyday, non-clinical help for older neighbors who want to stay in their own home:

Companionship · Transportation · Light housekeeping

Meal preparation · Medication reminders

Available hourly, daily or weekly.
